JUST A WORD ABOUT THE GIDEONS

The annual mission appearance of the "Gideons, International" is always well-received at West End. It has been our joy to support this great mission work of purchasing and placing Bibles for many years now. As we receive this offering for the support of this great mission work, please be sure to give generously. You will thrill as you hear this wonderful world-wide report of salvation experiences because of Bible placement in hospitals, motels, and jails; and New Testament give-a-ways to students (some anyway), nurses, and military personnel.

IRANIAN FIGHTER TURNED U.S. SPY SAYS "TEHRAN WILL ATTACK ISRAEL"

By Dudi Cohen, www.YNetNews.com
The Levitt Letter; Sept, 2010

A former fighter in Iran's Islamic Revolutionary Guard Corps (IRGC) turned U.S. spy offered a rare glance into one of the most complex countries in the Middle East.

During a conference held at The Washington Institute for Near East Policy, Reza Kahlili (not his real name) predicted that Iran will eventually attack Israel, Europe, and the Persian Gulf states. He called for a preemptive strike on the regime in Tehran, but not on the Iranian people or the country's infrastructure.

Kahlili accused the Administration of being naïve. According to him, the American overtures are viewed by the Iranian regime as a sign of weakness, while the Iranian people consider the efforts to engage the regime an act of betrayal against their struggle for freedom.

"This is a messianic regime. There should be no doubt — they are going to commit the most horrendous suicide bombing in human history. They will attack Israel, European capitals, and (the) Persian Gulf region at the same time," said Kahlili in one of his first public appearances to promote his new book.

Kahlili said he joined the Revolutionary Guard following the Islamic revolution of 1979, but volunteered to work for the CIA when he became disillusioned with the Khomeini regime after witnessing acts of rape, torture, and murder. Kahlili arrived at the conference wearing a surgical mask, sunglasses, and a baseball cap to conceal his identity.

Out of concern for his safety, as well as that of his family inside Iran, his voice was also disguised.

For 10 years, under the code name "Wally," he relayed the secret operations of the IRGC back to American intelligence, eventually fleeing to the United States. In the aftermath of 9/11, Kahlili re-established contact with his sources in Iran and resumed providing information to the CIA, according to the Washington Institute.

THE CHILDREN ARE LISTENING SO, LET'S MAKE IT PLAIN

It is a real thrill to see the wonderful things that are being done in and through our Children's Church. Some feel they should be "raised on the pew", and that is fine; but we want you to have the choice of this fine system of Bible Lessons with activities and class time on their level. We have seen several of them saved during the years; and it is true that many of the very ones who are leading them today came through the Children's Church themselves.

POSITIONS IN THE CHURCH

In the next few weeks, we will be holding a special prayer time for all the officers, teachers, and miscellaneous positions of our church. If you would like to either be excused from the duties in which you are presently serving, or to be included in new duties, please tell Brother Tom.
