**BUS DRIVER FIRED FOR REFUSING TO TRANSPORT
TO ABORTION CLINIC**

(Citizenlink.com)

Adapted by Tom Mooty

A Texas "Ride-Share" driver was recently fired from his job after he refused to transport a woman to a Planned Parenthood Clinic. Edward Graning, employed with Austin's Capital Area Rural Transportation System (CARTS), was assigned to pick up the woman early in the morning.

Before picking her up, Graning called the clinic in advance to confirm someone would be there upon her ar-

rival. As he was waiting to leave a message on the answering machine, he listened to the various services offered by the Clinic.

Graning is an ordained minister; and could not go against his religious beliefs. As he listened to the list of services on the machine, he prayed, "Lord, this woman is going to have an abortion".

So he called his supervisor at home and told her that he could not be a part of that. He was promptly told to park the van; and he was fired the next day.

The American Center for Law and Justice (ACLJ) has filed a religious discrimination lawsuit on Graning's behalf; stating that CARTS violated Title VII (a federal law that prevents religious discrimination). In this case, "CARTS had the obligation under federal law to at least attempt to accommodate Mr. Graning. They could have sent another driver to pick the woman up" Attorney Edward White of the ACLJ stated.

SERMONS COMING DOWN THE PIKE

"How Does God Introduce Himself?"

"Guess Who's Coming to Dinner"

"Recognizing Jesus"

"Grace Greater than all our Sins"

"The Right Stuff"

THE CHILDREN ARE LISTENING SO, LET'S MAKE IT PLAIN

It is a real thrill to see the wonderful things that are being done in and through our Children's Church. Some feel they should be "raised on the pew", and that is fine; but we want you to have the choice of this fine system of Bible Lessons with activities and class time on their level. We have seen several of them saved during the years; and it is true that many of the very ones who are leading them today came through the Children's Church themselves.

In the next few weeks, we will be holding a special prayer time for all the officers, teachers, and miscellaneous positions of our church. If you would like to either be excused from the duties in which you are presently serving, or to be included in new duties, please tell Brother Tom or one of your deacons; and every effort will be made to accommodate your wishes. This has to do with any and all positions in any ministry or outreach of the Church. We generally make needed changes or fill positions as they are needed; and we appreciate anything that anyone does in these positions.

THE MOSLEM MUFTI'S PANIC

Gihon Spring Resurfaces

Under Temple Mount

(Reprinted from "Prophecy In the News")

(Compiled from Internet sources)

In recent months, several witnesses have spoken about water seeping out of the floor near the base of "The Dome of the Rock". The Jerusalem *Wakf* (the Moslem religious authority in Jerusalem) has very hurriedly fabricated a story of faulty drainage causing the water seepage.

However, all one has to do is pick up an East Jerusalem phone book, and call any plumber at random; and there is a fifty-fifty chance that he will be one of the many which the panicking *Wakf* has summoned to try to stop the trickling. To date, no one has been able to do so. The *Mufti* himself knows that all the plumbers will not be able to stop that water "seepage", which will turn into a gushing stream very soon. Jewish tradition says that the Pool of Siloam will be the "Mikveh" ("baptismal pool") where the Jewish Messiah will immerse Himself every morning before prayer.

The Gihon River flows under Jerusalem, directly under the Holy Temple Mount; and under what is known today as "The Dome of the Rock" or "The Mosque of Omar". It emerges as "Siloam Spring" in the old "City of David", or "Mount Zion", which is directly south of Temple Mount, and flows out in the direction of the Arab Community of "Silwan" (Arabic for "Siloam").

Islamic tradition teaches that when the water of the Gihon begin surfacing on the Holy Place ("The Dome of the Rock"), the Jewish Messiah is fast on the way!

It is no wonder the Mufti is panicking! Imagine what will happen in that area of the world when all their posturing will have proven to be false; and multi-millions of souls have been lost by believing their lies.
