The Children are well taken care of in their classes; Jordon is dealing with "Miracles" in the Youth Group; and Professor Paul is teaching a series of lessons on "Prophecy"; and you are certain to be challenged to live for The Lord in these last days.

### **STUFF 'N THINGS COMIN' UP**

#### **NEXT SUNDAY AT NOON**

After Church next Sunday Morning, we will enjoy our annual Thanksgiving meal together. Everyone is cordially invited and encouraged to stay with us and enjoy a traditional Thanksgiving meal with all the trimmings. The famous "white board" is on the wall at the rear of the Chapel for you to sign up for foods you would like to bring; BUT, sign up or not, everyone PLEASE stay and eat with us.

Due to this extensive meal preparation and clean up, we will NOT have services - next Sunday Night.

#### **TUESDAY NIGHT, NOVEMBER 23**

The Community Thanksgiving Service will be held at First Baptist Church at 7:00 on the Tuesday before

Thanksgiving. All churches are invited to attend this special service. It will be televised live on Charter Cable-vision (local channel); and recorded for "playback" over WLIK at noon on Thanksgiving Thursday. As usual, the offering that is received will go to "The Bread Basket" food distribution charity.

### **SUNDAY, NOVEMBER 28**

The final Sunday in the month will be packed and jammed with really good stuff. Brother Tom will begin his four-week series of Christmas messages; The Styles Family will throw a big 90<sup>th</sup> birthday celebration for "Miss Ellie Styles" from 2:00-4:00 pm in the Family Life Center - and YOU are cordially invited to attend with NO GIFTS; and we will participate in a special Ministry Ordination Service for Brother Jordon Williams in the evening service. Sounds like a GREAT DAY to me!

### **Xtreme Youth Conference**

The West End Youth Group will be attending the Xtreme Youth Conference in Gatlinburg, December 27-29. You are invited and encouraged to help sponsor one or more of these great young people with the expenses. Due to the fact that many of them will miss several days work during the school break, it is suggested that a full scholarship could be \$200.00; and any portion of that will be greatly appreciated.

### **"RALLYING CRIES AND CATCH PHRASES"**

Written by Rebecca Hagelin, Adapted by Tom Mooty  
(Published in the [Patriotpost.com/subscribe](http://Patriotpost.com/subscribe))

Politicians have adopted and adapted "catch words" since "day one" in the political structure. Great fiery speeches have reverberated in the halls of congress since congress had halls; and familiar phrases from these speeches have been repeated in both public and private conversations ever since.

Two great rallying cries of ordinary citizens which have long stood the test of peace time and war time are "freedom" and "truth". Long ago, John Adams wrote, "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other". That statement reminds us who we are called to be.

"Faith" is a verb -- an "action word"; and our Constitution is the finest governing document of any country; past or present, and certainly in the future. As citizens, we need to work to make certain that our government protects our constitutional freedoms, whether they be economic, religious, or speech. We must demand that we remain free to associate with whom we choose, to travel where we wish, to work in the fields in which we feel called, and to teach our children in the manner we think is best.

As citizens, we need to renew our commitment to live up to the moral and religious ideals that make it all work. Ordinary Americans need to continue to step forward and take charge.

## **THE CHILDREN ARE LISTENING SO, LET'S MAKE IT PLAIN**

Isn't it great to see our children standing boldly up on the platform and reciting their verses and singing their songs? It isn't by mistake that Scripture says we must become like them in our Christian Walk - Bold and Uninhibited.

I am reminded of a little guy who interrupted our cottage prayer meeting one night by repeatedly and loudly knocking on the door.

He was selling doughnuts or magazine subscriptions (or something); and would not take "no" for an answer. He didn't know and didn't care that we were having a prayer meeting (we weren't praying at the time); he just wanted to get his point across to the home owner.

Let's hope and pray that that young fellow hasn't grown up and followed the lead of so many "adults" to be a compromiser and a "back peddler" - especially where it comes to our Christian Faith.

Yes! The children are listening - so let's make it plain!

### **RELAY FOR LIFE 2010**

Our church will sponsor a team in the "Relay for Life" this year. Angella Thomas has volunteered to head it up; and she is already hard at work to raise money for the cause of a cure for cancer. This is something in which we can all participate a little here and a little there; and when June, 2011 comes around (if The Lord tarries long enough), we will be prepared for the Rally at the Fair Grounds.

Notice the cover on the table in front of the pulpit. That is a small version of one of the many items Angella has for sale. See her if you want to participate on the team; or begin giving to this great cause.

If you would like to reserve the facilities or borrow any tables and chairs for a party over the Thanksgiving and Christmas Holidays, please check the calendar on the wall beside the Secretary's office for available dates.
