HOME (423-625-9322) - (865-617-8387) CELL

We are very happy to see you this morning; and trust you will be well blessed by being here. Today is a special Sunday we set aside to honor the work of "The March of Dimes".

Visiting friends, please complete the information sheet in your newsletter; and don't forget to give us your prayer requests on the reverse side. If you are looking for a spiritual church home for you and your entire family, we offer you our services; and ask that you please

consider us. Brother Tom will be happy to discuss this with you at your convenience. This newsletter is also uploaded to our church website: www.webaptistchurch.org

WONDERFUL WEDNESDAY WORSHIP

Our "Wonderful Wednesday" sessions begin at 4:30 with various activities and fellowship for everyone in the Family Life Center Gymnasium and the Lion 'n Lamb Café; and then continue at 6:00 with Bi-

ble classes for Children, Youth, and Adults. Everyone is encouraged to attend these informal and informative Bible study sessions. Paul Stiefvater is teaching a series of lessons on "Prophecy"; while Jordon's young people meet in their "youth room" upstairs in the Family Life Center. The Children always have a fascinating hour which is packed with activities and lessons, led by our wonderful staff of Children's Church Teachers.

"THE MARCH OF DIMES"

(Edited by Tom Mooty)

The March of Dimes Foundation is a nonprofit organization to improve the health of mothers and babies through research and grants. More than 3 million volunteers support the March of Dimes in local communities.

The mission of the March of Dimes is to prevent birth defects, premature birth, and infant mortality.

March of Dimes poster
ca. late 1950s

The March of Dimes was founded by President Franklin Delano Roosevelt as the National Foundation for Infantile Paralysis (NFIP) on January 3, 1938, as a response to epidemics of poliomyelitis (polio) sweeping the country. Roosevelt was himself diagnosed

with Polio in 1921. From those earliest days, scientists and volunteers raised money to support research, education and help polio victims and their families.

Dr. Jonas Salk began his research on poliovirus in 1947 with a grant from the Foundation; and developed a successful vaccine in 1952. This was followed in 1963 by the vaccine of Albert B. Sabin, another foundation grantee. Since the discovery and widespread use of the polio vaccines, polio has been eliminated in most countries of the world.

In 1958, the NFIP began researching birth defects and infant mortality, which soon became its mission.

In 1961, the test to identify and prevent forms of mental retardation was developed. In 1968, the first successful bone marrow transplant was achieved. In 1973, scientists discovered that alcohol consumption

can affect fetal development. In 1994, the value of taking folic acid supplements was published. In 2005, reducing the toll of premature birth was added as a mission objective.

In 2007, the name officially became the "March of Dimes Foundation" and began to fund other research: Rubella (German Measles), hospital Newborn Intensive Care Units (NICU); Fetal Alcohol Syndrome (FAS); Respiratory Distress Syndrome (RDS); Fragile X Syndrome (FMR1); Folic Acid Campaign; Newborn Screening; and Pertussis (whooping cough).

TELEPHONE "ONE CALL NOW" SYSTEM

We recently installed a telephone calling "tree" to help us get important announcements out to everyone as quickly as possible. This was necessary because it was becoming more and more difficult to make sure everyone was notified every time.

One of the messages you have been receiving is called the "opt in text" call, in which a generic male voice asks you to "opt in" if you wish to receive text messages on your cell phone. The system will not send text messages to your phone unless you "tell it" that it is ok to do so.

When you get that call, please type the word "Alert" in the message body. Then press "send to" and scroll up or down to find "new phone number" and type in the five numbers that are given you; and press "send".

We are still setting up the system; but, in the meantime, it is already being used to great advantage.

TWO DEACONS NEEDED

We are asking for your suggestions for the names of at least two men you feel would be able to serve on the Active Deacon Body of our Church. Please pray about this; write down the names; and give them to David Bible.

VICTORY BIBLE INSTITUTE

Our Victory Bible Institute is in full swing. Brother Paul Stiefvater is currently teaching Course # OT 103 (Samuel, Kings, and Chronicles) and Brother Tom is currently teaching Course # OT 102 (Joshua, Judges, and Ruth). Upon the completion of the course plan, you can receive credit towards a diploma in "Biblical Studies" from the Victory Bible Institute in Greenville, SC; or you might be interested in simply taking the classes for the invaluable knowledge and information in the little time we have left to make a difference in this world.

Either way, the class sessions are recorded for you (at no charge) to review the material later; or make up a class you had to miss.

MARCH OF DIMES SHAKE-DOWN

The Children's Church "Shake-Down" for your pocket change will be conducted (bills are also ac-

cepted) today. The children's choir will sing; then march out among you for donations to be given the March of Dimes (Elizabeth "Skeeter" McNabb, local director). Don't miss this wonderful opportunity.

"PRE-REVIVAL" REVIVAL MEETING

Dr. Bobby Welch – Sunday Evening, October 9
(Former Pastor of Dayton Beach First Baptist;
Former President of Southern Baptist Convention)

Dr. Randy Davis – Monday Evening, October 10
(Former Pastor of Sevierville First Baptist;
Current Executive Director of Tennessee Baptist
Convention)

Dr. Don Pearson – Tuesday Evening, October 11
(Prayer specialist - Tennessee Baptist Convention)

Dr. Horace Brown - Moderator
(Director - East Tennessee Baptist Association)

Our church has been asked to host this East Tennessee Baptist Association three night meeting. Special music will be presented each night (our choir is Sunday evening). This is to start our preparations for a county-wide meeting next year! We will have a Children's Bible School Program each evening. Brother Brown is asking for nursery workers for the three evenings (to be paid by the East Tennessee Baptist Association).

Speaking of the East Tennessee Baptist Association, Brother Brown is looking for a part-time (20 hours) secretary to help in the office. Computer/Bookkeeping and good people skills are needed.
