WORKING AT WEST END

This Tuesday, November 1, we plan on having another scheduled working for both ladies and men, for 90 minutes, from 6:30-8:00. There are still several little projects we need to address;

and a good number of folks for ninety minutes can knock them out. On Saturday, November 12, we are asking for our men to come out to work on the playground. This will involve removing all the grass and weeds; raking back the rubber particles; applying weed killer and landscaping fabric; and reapplying the rubber base particles. Please bring small tools, rakes, hoes, and shovels and let's get this done!

THE CENTER PIECE

"The Future Jewish Temples"

(Written by Randall Price; Adapted by Tom Mooty)

The Temple has always been the symbol of Israel's national and spiritual existence; and this future program involves both national desecration and spiritual restoration.

The Temple that will be constructed during the Tribulation Period will continue until the beginning of the Messianic Kingdom at which time The Messiah will decommission it and rebuild it to begin "Operation Israeli Restoration". The "covenant" which is "confirmed" with Israel and then broken, as described in Daniel 9:27, may result in this rebuilding project because breaking the covenant at the Tribulation mid-point actually interrupts the renewed sacrificial system.

Paul said that "Antichrist" would seat himself in the Temple; which action would be the "key" to understanding this man's true identity. John also placed this man inside the Temple courtyards; and Jesus Himself spoke of his presence as signaling the beginning of the Great Tribulation.

The Millennial Temple is distinct from the ones before it. Solomon's Temple had no Gentile presence; but manifested the glory of God's Presence. Herod's Temple had areas where Gentiles could be present; but it had no manifestation of God's Presence anywhere. The same thing can be said about the Tribulation Temple; but the Millennial Temple will have all of the above.

Its distinctive architecture will require an expanded foundation on Temple Mount; and the entire world will come to this location to learn the ways of God and His Law.

Therefore, the Millennial Temple will be the sign of the fulfillment of the "New Covenant" for Israel, which will be protected and will prosper under its terms.

This Millennial Temple will also reunite all the world's Jewish peoples and all other nations under the Sovereignty of King Jesus and the worship of Almighty God.

The Millennial Temple will be the location of all future blessings of restoration of the Land. Rain will be provided based on all nations' worship and faithfulness to keep the required Feasts.

The Millennial Temple will be the center of the world renewal, turning all nations of the world to Temple worship and serve as a "House of Prayer" for all peoples of the earth.

In the age of Eternity which follows the Millennium, the Heavenly Temple (just as real as any on the earth) will be revealed. It has served as a model for the earthly Tabernacle and Temples and has existed – and will continue to exist – for all eternity.

The Saints will be within this Celestial Temple and its "Holy City" with the Glory of God as its center; and will serve as priests forever.

WONDERFUL WEDNESDAYS

Wednesdays are always special at West End. Activities in the gym and Fellowship around the coffee pot begin at 4:30. Bible study is always the featured service as Brother Paul Stiefvater is always prepared with huge amounts of Bible knowledge to share with the adults and young people. Children are always welcome here too; as our soul-winning Children's Church Ministry goes into high gear. All studies begin at 6:00.

VICTORY BIBLE INSTITUTE

Brother Paul's class will meet this Thursday, October with Lesson 3 of "Ezra, Nehemiah, Esther" Study; while Brother Tom's class will NOT meet, due to a wedding rehearsal. Both classes will be back on schedule on October 27 until the Thanksgiving/Christmas recess.
