DEC 25, 2011

Good morning everyone!

We are delighted that you are here with us this morning. If you are visiting with us, you and your entire family are very welcome. If you are looking for a spiritual church home, we offer you our services!

Please notice the insert card in your Newsletter and use it to give us your prayer requests and visitor information. You may give it to any of the ushers/greeters; and we will be sure to pray for your requests and thank you for your being here.

If you are interested in knowing more about our Church, Brother Tom will be happy to visit with you at your convenience. If you are satisfied that this is the Church for you, we can receive members by Believers' Baptism; by Statement of Faith; and/or Transfer of your Letter of Recommendation from another church.

ABOUT THE FRONT COVER

This is the beautiful Christmas Tree in front of our nation's Capitol Building. It was brought to Washington by the National Forestry Service from California; and therefore all de-

corations were made by students from California. Unfortunately, there is only one ornament that has a picture of a Bible; and apparently, no ornaments that portray the Baby

Jesus or Deity in any way.

This is a Christmas Tree; and all these are likewise Christmas Trees. They are not "holiday trees". They are not "winter festival trees". They are not "Hanukkah bushes". They are not "Allah plants".

They are not "Kawanza Shrubs". They are Christmas Trees.

Come on; you can say it!
Christmas! Christmas Trees!

ABOUT THAT "OTHER PICTURE"

This beautiful picture of the first Christmas Night

has been used in our Newsletter for the past five weeks. I am very grateful to my many Facebook Friends who have sent this along to me!

NO SERVICES TONIGHT

Enjoy your Christmas Time with your friends and loved ones; and come back this Wednesday Evening for another "Wonderful Wednesday".

IMA SIGN SAYINGS (or "Ima just sayin')

"God did not send us "Stocking Stuffers" on that first Christmas. No, He sent the very best He had!"
(Jordon Williams)

"Come Desire of Nations, Come".
(From the 4th verse of "Hark the Herald Angels Sing"
by Charles Wesley)

ANNOUNCEMENTS

We have a new Class underway in Sunday School; for all Young Adult Singles/Couples. It meets in the Sunday School Annex at the fire escape with Duane Huskey as teacher. Be praying for this group as they begin this exciting new ministry. Help spread the word about this; and if you are in this age or category classification, why not get in on the ground floor of this new class? They meet each Sunday at 10:00; and we think you will enjoy it!

We plan on another new class in Sunday School (although it might not meet on Sunday morning) - for New Believers. We need to know what we believe and why we believe it.

WEDNESDAY, DEC 28

Fellowship and Activities begin at 4:30 and classes for all age groups begin at 6:00 PM. The Children's Church always has a fascinating program for the little folks; the Youth Group meets in their "Youth Room" upstairs in the Family Life Center Complex; and the adults have another great Bible Study under Brother Paul Stiefvater's extensive teaching ministry in the Chapel.

Everyone, please notice the messages, pictures, graphics, and visuals on the "screens" as you enter the

service each Sunday Morning. We have named these twin screens "Bill" and "Will" Board; and we try to have announcements that

appertain and apply to our Church and Community; and, as always, we feature slides about our wonderful men and women in uniform.

We feel the same way about our sign ministry up on

our "corner". We have named her "Ima Sign" (she is a cousin to "Bill" and "Will Board"); and we try to be greatly involved in the lives of our thousands of drivers and passengers that pass by our sign on that very busy highway. Please pray that our ministry there will be blessed and greatly used.
