## **THE CENTER PIECE**

### **THE END OF THE WORLD IN 2012**

(By Tom Mooty)

So much is being said by people "in the loop" and people "out of the loop" about the "Mayan Calendar" which seems to run out after this year.

Add to that all the hubbub about the mysterious "quatrains" (four line verses) of Nostradamus.

Couple that with the Biblical teaching that Jesus Christ could come at any moment; and the avalanche of preaching and teaching on that subject currently going on.

The resulting "finished product" is an "unfinished product" that has trumpets sounding and armies shouting and God thundering down with a world-destroying fist at some point either this year or shortly thereafter.

Anybody got the answer? Anybody? Anybody?

Here are a couple of things you need to remember:

The "world" is never going to "go boom" and dissolve into nothingness. You can put that one to rest right away.

The word translated "world" is "aion" which means "age" or "time period" – so it not the "end of the world" but the "end of the age" that is graphically portrayed in Scripture.

If I were powerful enough to cause world events to occur; I could get somebody to write them down in cryptic language that could be interpreted in any one of several different ways; then, when the time was right (since I am always alive and right there at the switch), I would make something happen that would cause millions of people to believe what my man had written years before.

If I were powerful enough to do that; that's what I would do. Well, I'm not; and neither are you; but there are Two Spiritual Beings that are: God and Satan; and since God's plans are laid out in Scripture, that leaves ... !

To be sure, the Mayan Calendar is an amazing thing! I do not doubt that it is there; and I do not doubt that it is extremely complex – and they had some help from somewhere to build all those pyramids and perform all that. Truly, they were years and years ahead of their time. The question is NOT IF it happened, but HOW did it happen!

In the same vein, I don't doubt that an Ouija Board works; I just question H; and by whose power?

People who dabble in the occult started somewhere – and it was probably with horoscopes and fortune tellers, physics, and such like.

Better be careful; protect your mind; and stay close to God and a Church where the truth is preserved and taught repeatedly – and pray for us that we will never compromise just to get along in today's world – because Jesus could come at any moment!

That's correct! That is the clear teaching of Scripture – “The Imminent Return of Jesus”.

This simply means that the Lord Jesus could come at any moment in time; and no Biblically predicted event must necessarily precede it.

The “Rapture” (“The Catching Away of the Church”) is the next thing that will occur on God's Prophetic Timepiece – and it could occur at any moment in time – whether the Mayan Calendar or Nostradamus says so or not.

God – and God alone – is in control of that event; and it will occur when He says so – and not before!

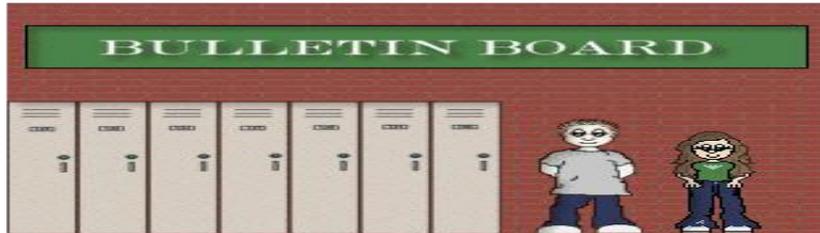

## **IMA SIGN SAYINGS (or “Ima just sayin’)**

“Without Jesus Christ, there would be no need to pray – for anything” (Rita McNabb)

“The only man-made things in Heaven are the scars on Jesus!” (Unknown)

Please pray for our tremendous sign ministry up on “our corner”. It would be amazing to actually

determine how many sets of eyes are fixed on that message every day; and multiply that number by 365 days; and see what you get in a year!

### **SCHEDULING MEETINGS, ETC.**

Everyone, please use the calendar on the wall beside the secretary's office to write in all special meetings, parties, etc in which you wish to use the facilities or equipment of the church. Please put the times of your function on there as well; and do not forget "set-up" times for tables and chairs as well as cleanup afterwards (You ARE planning on cleaning up your mess, aren't you?). We always check this calendar before we schedule any meetings.

### **WONDERFUL WEDNESDAYS**

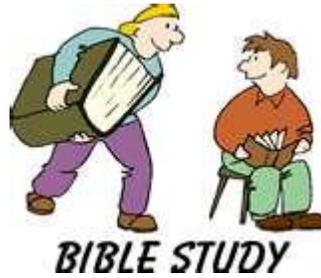

Wednesdays start with activities in the gym and fellowship in the "Lion 'n Lamb Café" at 4:30. All classes (for children, youth, and adults) begin at 6:00.

### **"FIVE MINUTES WITH TOM MOOTY"**

We have such a wonderful opportunity of spreading the Gospel is the unique way of a newspaper column. Please help us tell everyone about it. It appears every Thursday in the Newport Plain Talk; and can be accessed on the website ([webaptist-church.net](http://webaptist-church.net)) as well.

## **“TNT” = (“Thurs Night Thing”) = “VBI”**

Both of the Thursday Night Bible Classes have hit the ground running again. They both meet at 7:00 PM on Thursdays. Recordings are available if you have to miss a class; or want to do independent study on your own.

Brothers Paul Stiefvater and Tom Mooty are teaching these classes. When the course of study has been completed, every Book in the Bible and many topics will have been covered.

This is an extremely useful time of concentrated Bible Study; and you would do well to get involved.

We need a couple of people who would like to be involved with the control room ministry; to operate the video cameras. These are used to record the services; and will be used to stream our services over the website when the details are worked out. It is a very important work; and requires great interest and dedication.
