TOM MOOTY – MEDICARE MINISTER**

WELCOME TO WEST END!

We are extremely blessed that you are here with us today! You and your entire family are welcome here.

If you are searching for a spiritual church home, we offer you our services. Brother Tom will be happy to visit with you at your convenience to discuss any questions you might have.

Your Newsletter, "The Written Welcome of West End" has service times, dates, phone numbers, names, etc; as well as articles to help you in your Christian walk.

We ask that you please complete the inserted card for prayer requests and visitor/member information; and either place it in the offering or give it to one of our greeters/ushers (two of them, "Red" and "Fred" are pictured here). We will be certain to pray for your requests.

If you wish to give to our ministries, you may use the enclosed envelope - and thank you again for your being here.

NEXT WEEK'S MESSAGE:

"Let's Leave Jesus"

ON THE AIR TODAY AND THIS AFTERNOON

Our live broadcast: "Sunshine for Shut-Ins" has been a "fixture" on WLIK Radio for over sixty years. It was begun by Pastor "Brother Bob" Bevington under the name: "The Old Country Church Hour and has always be "live". It is currently broadcast from 11:00-12:00

each Sunday; and is also presented live over the Internet through the radio station website. It is impossible to know the numbers of souls that have been touched and changed by this wonderful ministry: first local, then area, and now world-wide!

Brother R V Maynard has a radio ministry over WLIK as well. He calls it: the "It's All About Jesus Broadcast"; and it is done live from 1:00-1:30 each Sunday afternoon. Pray for this radio ministry and support it as you can.

Brother R.V. ("Happy Jack") also has a huge billboard sign on I-40 westbound between the two Newport Exits; and is praying about another one!

These ministries are very worthy of your mission support.

A TRIBUTE TO PJ

(Written by Farley Haynes)

No longer have I your face to touch;
Time has changed my life so much!
Now in my memories, I can surely see;
That time is taking its toll on me!

You gave me love and tenderness;
You filled my cup with happiness.
One life together is what used to be;
Now, time is taking its toll on me!

When you were here, my heart did soar;
You with me; I didn't want anything more!
Our love was as strong as a great oak tree;
Now, time is taking its toll on me!

You had to leave me - that I know;
God set you free, and I had to let go!
One day in heaven, your sweet face I'll see;
And time will no longer takes its toll on me!

(From your "Farbaby")

SAYINGS FROM "IMA SIGN"

"A grave didn't stop Jesus; neither can a graveyard".

Other than souls being saved; there is nothing more exciting than to know that Jesus is coming!

What really is "Amazing Grace" is that God chooses to use US!

HERE 'N THERE - THIS 'N THAT STUFF 'N THINGS

High quality (3 camera/5 input) recordings are being made of the Sunday morning services. These are available to you in either DVD (video) or CD (audio) format; and will soon be archived on our website. If you are interested in working in this ministry, please speak to Brother Tom today! You are WANTED and NEEDED!

In addition, we are making one-camera video recordings of Brother Paul's Thursday Night Victory Bible Institute Classes. These recordings are available for you to work "off line" if you have to miss a class or want to spend additional time to reinforce to study the covered material. Pick up a DVD today (they are in the display case on the front of Brother Tom's desk).

We are also getting closer and closer to the launch date for the live broadcasts of any and all of our services on the Internet. This will enable us to broadcast any or all of our services, classes, and sessions on the website - all without the constraints of a normal radio broadcast; and to archive the services for playback at anytime.

Welcome to the 21st Century!

You are welcomed and wanted in our Church Choir. This ministry is extremely important to the overall "Praise and Worship" experience of our total church Gospel outreach. Music is clearly recognized by both The Lord and the devil as a powerful tool in the spreading of both of their messages! We are fighting a spiritual battle; and you are needed to get involved!
